ORDER
LONG ISLAND OFFICE
13-CV-2642 (JS) (AKT)

13-CV-3809 (JS) (WDW)

SEYBERT, District Judge:

Presently pending before the Court is Plaintiff Secure Web Conference Corporation's ("Plaintiff") motion filed in Secure Web Conference Corporation v. Logitech, No. 13-CV-1309 to consolidate the above-captioned cases. The Court has reviewed the dockets in both actions, and both complaints involve the same patents-in-suit and the claims arise out of the same general set of facts. Thus, the Court finds that consolidation is warranted to avoid the duplicative and unnecessary use of judicial resources. See FED. R. CIV. P. 42(a). As such, the Court GRANTS Plaintiff's request and ORDERS that Secure Web Conference Corp. v. Microsoft Corp., No. 13-CV-2642, and Secure Web Conference Corp. v. Logitech, Inc., No. 13-CV-3809, be consolidated. All future filings are to be docketed in the earlier-filed case, case number 13-CV-2642.

Further, the Court ORDERS that the Scheduling Orders issued by Magistrate Judge A. Kathleen Tomlinson in case number 13-CV-2642 shall govern the consolidated action.

The Clerk of the Court is directed to consolidate these matters and to mark case number 13-CV-3809 closed.

SO ORDERED.
